RULES & REGULATIONS

Possession of Stall : Exhibitors can start moving in their materials and setting up stalls one day before exhibition at 10.00 a.m. Please note that the possession of the stall will not be given till all the dues are cleared by the exhibitor. The exhibitors should get the stall possession certificate from the organisers after clearing all dues before taking possession of stall.

Vacation of Stalls :

Exhibitors are allowed to remove their exhibits only after official closure of the exhibition on Last day of the exhibition. Goods can be taken out of the venue only after submitting exit pass in duplicate duly signed by organisers. The work of removing the exhibits from the venue must be completed on the same day. After this period the organisers will be at the liberty to remove the exhibits at the cost and risk of Exhibitors.

Change of Venue and Dates :

- (1) The organizers reserve the right to change the venue, dates and/or duration of the exhibition. In such an event, the obligation of the exhibitor to participate shall remain in force, so long as he is informed about the changes by the organizers as early as possible, either by individual communication or press advertisements.
- (2) The organizers also reserve the right to change the floor plans and/or location of space allotted or stall no to an exhibitor or exit/entry points, passages, etc anytime before the commencement of erection of the stalls, if in the opinion of the organizer, such changes are necessary.
- (3) Any such changes shall not be sufficient ground for exhibitors to cancel their participation and in case of withdrawal from participation, no refund will be permissible.

Cancellation : The organizers reserve the right at all times to change the dates of the exhibition or cancel for reasons beyond their control.

General :

- (1) Exhibitors are not allowed to use space/passage other than allotted to them. Similarly, exhibitors will not be allowed product demonstrations which will cause objectionable odors or play stereo equipment disturbing other stall holders. The organizers will decide as to what constitutes a nuisance and their decision will be binding on the exhibitors.
- (2) The organizers will do their best to ensure supply by contractors, but shall in no circumstances the organisers will be responsible, if such services cease to exist.
- (3) Participants will keep and maintain fire fighting equipments within their stall as per safety regulations. Making arrangements for fire extinguishers is the responsibility of the individual participants
- (4) Organisers are not responsible for any Octroi exemption & formalities if the same is not sanctioned by the local authority even after the serious efforts are made.
- (5) Exhibitors are not allowed to put the banners outside their allocated stall.
- (6) The stall allotted is meant for display and demonstration of products. No actual sales can be made from the stalls.
- (7) Any verbal agreement concerning any particular clause/rule of this contract or the Exhibition are not valid unless confirmed in writing.
- (8) Exhibitors requiring extra electrical load, compressed air, extra furniture, logistic help etc., have to intimate organisers along with space booking form.
- (9) Exhibitors or their agents shall not deface any part of the exhibit building, the booths, or booth contents or equipment and decor. Under those circumstances, the exhibitor is liable to the owner of the property so damaged.
- (10) All demonstrations or other activities must be confined to the limits of the exhibitor's booth space. Distribution of circulars may be made only within the space assigned to the exhibitor.
- (11) Organisers have no smoking policy inside the exhibition area. Exhibitors are therefore requested not to smoke inside the exhibition venue.
- (12) Front of the stall should have appropriate exit (minimum 0.75m) for the exhibitors/visitors in case of emergency.
- (13) All exhibitors are responsible for the cleaning of stall furnishings, exhibits and the general tidiness of the stall.
- (14) Packaging and other materials presenting a fire risk must not be stored in the stands, or on the Expo floor.
- (15) Please do not send any stand material and/or literature in the name of organisers or in the name of any member of the organising committee at the venue.
- (16) The height of fabrication on the raw space should not exceed 10ft. including roof of the stall.
- (17) The organizers will make general security arrangements. However, participants will be responsible for the security of the exhibits and the stall.
- (18) Exhibitors are not allowed to use hazardous chemicals dangerous to building, persons etc.
- (19) The exhibitors bringing heavy machinery should bring plates/concrete slabs to place the machinery in the stall. The same should be informed to the organisers prior to commencement of the exhibition.
- (20) The very fact that a Exhibitor/Speaker participate in the event, it is presumed that he/she, his/her company has read the rules and regulations formulated by the Organisers and confirmed to abide by them.
- (21) Disputes, if any shall be subjected to jurisdiction of the courts in Ambala only.
